O R D E R

On July 6, 2006, Shelby Energy Cooperative, Inc. ("Shelby Energy") filed a written response to the Commission's June 8, 2006 Order initiating this proceeding. Shelby Energy's response, at page 4, refers to an attached Contractor Job Site Visit Report ("Report"), but no attachment was filed with the response.

Based on the response and being otherwise sufficiently advised, the Commission finds that Shelby Energy should supplement its response by filing the Report referenced therein and that the hearing should be rescheduled to provide sufficient time to review that Report once it is filed.

IT IS THEREFORE ORDERED that:

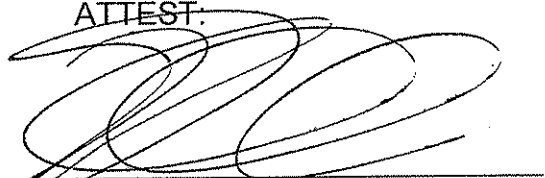

1. Shelby Energy shall file within 7 days of the date of this Order the Report referenced in its July 6, 2006 response.
2. The hearing scheduled on July 11, 2006 is rescheduled to August 9, 2006 at 9:00 a.m., Eastern Daylight Time, in Hearing Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

3. Shelby Energy shall file within 7 days of the date of this Order an original and four copies of the information requested in Appendix A hereto.
